Plus, each Savings Plan includes a 10% discount on other procedures completed at our practice.

- Including fillings, crowns, extractions, dentures, and implants.
- Dental products such as bleaching, waterflossers, specialized toothpaste, toothbrushes and medicated rinses are NOT eligible for the discount.

What else should I know?

- Our savings plan is not insurance and is not a qualified plan under the Affordable Care Act.
- Our savings plan does not cover procedures completed by specialists outside our practice.
- All benefits must be used one calendar year from the date the plan starts (treatment will not rollover if not used).
- Hygiene x-rays occur one time per year and may be a full mouth series, bitewings or a panoramic.
